The Cigna Total Dental PPO (DPPO) network makes it easy to protect your health – and your smile – with the right dental care at the right price. You get a broad national dental network, and online tools to help you to make more informed decisions about your dental care. We're with you every step of the way on your journey to better oral health.

How the plan works
The Cigna Total DPPO network provides access to the largest network of dentists contracted to discounted fee arrangements.¹ We expect to have a total of 148,000² unique dentists available at 384,000³ office locations. This means more convenience and more ways for you to save.

With the Cigna Total DPPO network plan, we offer two levels.

Cigna DPPO Advantage – Highest benefit level. May result in a lower cost.
› 95,000 dentists
› 235,000 locations
› Average savings of 35%⁴

Cigna DPPO – Lower benefit level than DPPO Advantage
› 50,000 dentists
› 127,500 locations
› Average savings of 15%⁴

Additional considerations
› Network dentists will submit claims for you.
› You can visit another dentist for a second opinion and Cigna will reimburse you according to your plan benefits.
› Your dentist can submit a treatment plan for predetermination of benefits so you can find out what your costs will be prior to treatment.
› You don’t need a referral to receive care from a specialist.
› You don’t need an ID card to receive dental care.
› You can check claim status online by registering on myCigna.com after you enroll.

After you enroll
Visit myCigna.com for more information such as:
› Plan information
› Network directory of dentists
