MEDICARE-COORDINATING PLANS

At GuideStone®, our Medicare-coordinating Plans are built with the needs of retirees in mind. Provide your organization with a plan that combines one-stop convenience with an affordable price. Choose the plan that works best for your retirees by exploring the options below.

Plan Name	Coverage Type	You might consider this plan if:
<u>Care Plus Plan</u>	Covers: Medicare Part A (hospitalization), Part B (physician) and Part D (prescription drugs) services	You visit the doctor frequently. You have a chronic condition that requires specialized care and/or supplies.
<u>Care Basic Plan</u>	Covers: Medicare Part A (hospitalization) and Part D (prescription drugs) services	You are generally healthy and primarily want coverage for hospital stays. You need a plan with a lower monthly cost.
<u>Senior Plus Plan*</u>	Covers: Medicare Part A (hospitalization), Part B (physician) and Part D (prescription drugs) services	You visit the doctor frequently. You have a chronic condition that requires specialized care and/or supplies.
<u>Senior Plan*</u>	Covers: Medicare Part A (hospitalization) and Part D (prescription drugs) services	You are generally healthy and primarily want coverage for hospital stays. You need a plan with a lower monthly cost.

*To offer the Senior or Senior Plus plan, the employer must contribute at least 50% of the plan cost for each employee or retiree who joins.

No matter what Medicare-coordinating Plan you choose. . .
