

We understand your **ministry**.

We understand **employee benefits**.

And we share your passion for the Gospel.

That's why GuideStone® and Global Methodist Church® have teamed up to support your calling and provide you faith-based benefit solutions made for ministry.

Our vision is that every servant of Christ finishes well.™ We're here to help you and your employees move toward financial security and resilience as you advance the Kingdom of God.

GuideStone Retirement

Our retirement plans and educational resources are designed with ministry in mind — helping you feel confident and free to pursue unique opportunities that often come in retirement years.

- GuideStone Retirement Plan
- Rollovers
- IRAs
- Planning and Guidance
- Educational Resources

GuideStone Medical, Dental, Life and Disability Coverage

GuideStone believes when the body of Christ is healthy, it's free to transform the world — and we want to help guide and equip you and your ministry to do just that. Our priority is delivering quality coverage that reflects your biblical values, so you are free to focus on your calling.

- Health Plans
- Dental Coverage
- Life and Accident Protection
- Short and Long Term Disability Protection

GuideStone Investments®

As Christians, our values influence the way we live. They should also influence the way we invest. That's why every decision made at GuideStone — from the way we run our enterprise and interact with our investors to the investment choices made by our portfolio management team — is driven by an unwavering commitment to biblical values and a steadfast desire to be a witness for Christ.

- Professional Investment Management
- Investment Accounts
- Institutional Consulting

GLOBAL
METHODIST CHURCH

Funds invested in accordance with the faith-based investment restrictions of GuideStone Financial Resources® may not be able to take advantage of certain investment opportunities due to these restrictions, which may adversely affect investment performance. There can be no guarantee that any strategy (risk management or otherwise) will be successful. All investing involves risk, including potential loss of principal.

Be sure to consider all of your available options before rolling over your retirement assets. It is important to consider all of the potential advantages and disadvantages of rolling over your retirement assets to an IRA, including the different investment options that are available to you as well as the services, fees, expenses, withdrawal restrictions and tax consequences of rolling over your assets to an IRA. Other options are available besides rolling over your employer-sponsored retirement plan, including leaving the account with your previous employer. An employer-sponsored retirement plan may offer advantages investors can't get if they roll the money into an IRA.

Retail products are made available through GuideStone Financial Services®, member FINRA (<http://www.finra.org/>). For more information about the firm, products and services, please review the GuideStone Affiliate Form CRS (http://www.guidestonefunds.com/-/media/Funds/files/pdf/Affiliated_Form_CRS) and visit FINRA's Broker Check (<https://brokercheck.finra.org/firm/summary/148249>).
