

SHORT TERM DISABILITY BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are **limited** from performing the **material and substantial duties** of your **regular occupation** due to your **sickness** or **injury**; and
- you have a 20% or more loss in weekly earnings due to the same sickness or injury.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**.

If your disability is the result of an injury that occurs while you are covered under the plan, your elimination period is 7 days.

If your disability is the result of a sickness, your elimination period is 7 days.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes, provided you meet the definition of disability.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment weekly for any period for which Unum is liable.

After the elimination period, if you are disabled for less than 1 week, we will send you 1/7th of your payment for each day of disability.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your weekly earnings by 60%.
2. The maximum **weekly benefit** is \$500.
3. Compare the answer from Item 1 with the maximum weekly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **weekly payment**.

WHAT ARE YOUR WEEKLY EARNINGS?

"Weekly Earnings" means your weekly income from services with your Employer which was last reported to GuideStone Financial Resources of the Southern Baptist Convention prior to the date of disability. It may include your total income just before taxes and before any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 403(b) annuity, Section 125 plan, or qualified transportation plan. It may include income actually received from bonuses, overtime pay, housing allowance or any other extra compensation, or income received from sources as last reported to GuideStone Financial Resources of the Southern Baptist Convention.

WHAT WILL WE USE FOR WEEKLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LEAVE OF ABSENCE?

If you become disabled while you are on a covered leave of absence, we will use your weekly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the weekly payment if you are disabled and your weekly disability earnings, if any, are less than 20% of your weekly earnings.

If you are disabled and your weekly **disability earnings** are from 20% through 80% of your weekly earnings, you will receive payments based on the percentage of income you are losing due to your disability. We will follow this process to figure your payment:

1. Subtract your disability earnings from your weekly earnings.
2. Divide the answer in Item 1 by your weekly earnings. This is your percentage of lost earnings.
3. Multiply your weekly payment as shown above by the answer in Item 2.

This is the amount Unum will pay you for each week.

Unum may require you to send proof of your disability earnings each week. We will adjust your weekly payment based on your disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings routinely fluctuate widely from week to week, Unum may average your disability earnings over the most recent 3 weeks to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless the average of your disability earnings from the last 3 weeks exceeds 80% of weekly earnings.

We will not pay you for any week during which disability earnings exceed 80% of weekly earnings.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive as disability income payments under any:
 - state compulsory benefit **act** or **law**.
 - automobile liability insurance policy.
 - other group insurance plan.

2. The amount that you receive:
 - under a **salary continuation** or **accumulated sick leave** plan.
 - under Title 46, United States Code Section 688 (The Jones Act).
 - from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise that represents recovery for income replacement (lost wages).

Unum will only subtract deductible sources of income which are payable as a result of the same disability.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans

WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)

The minimum weekly payment is: \$25.

Unum may apply this amount toward an outstanding overpayment.

However, the minimum weekly payment will not be paid if you are receiving salary continuation or accumulated sick leave payments from your Employer.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Short Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a weekly basis over the time period for which the sum was given. If no time period is stated, the sum will be pro-rated on a weekly basis to the end of the maximum period of payment.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each week up to the **maximum period of payment**. Your maximum period of payment is 12 weeks during a continuous period of disability.

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- when you are able to work in your regular occupation on a **part-time basis** but you choose not to;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to cooperate or participate in Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;

- the date your disability earnings exceed the amount allowable under the plan;
- the date you die.

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- **occupational sickness or injury**, however, Unum will cover disabilities due to occupational sicknesses or injuries for individuals who are not required to be covered by a workers' compensation law.
- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted under state or federal law.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?

1. If your current disability is related to or due to the same cause(s) as your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for 14 consecutive days or less.

If you return to work on the 15th day, your current disability will be treated as a new claim. The new claim will be subject to all of the provisions of this plan and you will be required to satisfy a new elimination period.

2. If your current disability is unrelated to your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for less than 1 full day.

Your disability, as outlined above, will be subject to the same terms of the plan as your prior claim.

If you do not satisfy Item 1 or 2 above, your disability will be treated as a new claim and will be subject to all of the policy provisions.

If you are covered under another group short term disability plan on the date of your recurrent disability and are entitled to payments under that plan, you will not be eligible for further payments from Unum.

SHORT TERM DISABILITY

OTHER BENEFIT FEATURES

HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum's rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

If we determine you are eligible to participate in a Rehabilitation and Return to Work Assistance program, you must participate in order to receive disability benefits. We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you. You must comply with the terms of the Rehabilitation and Return to Work Assistance plan in order to receive disability benefits.

The rehabilitation program may include, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.

WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of \$250 per week.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income.

In addition, we will make weekly payments to you for 3 weeks following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

This benefit payment may be paid in a lump sum.

WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?

Benefit payments will end on the earliest of the following dates:

- the date Unum determines that you are no longer eligible to participate in Unum's Rehabilitation and Return to Work Assistance program; or
- any other date on which weekly payments would stop in accordance with this plan.

Additional Claim and Appeal Information

APPLICABILITY OF ERISA

If the policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and

- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);

- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

THE TEXAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION
(For Insurers declared insolvent or impaired on or after September 1, 2011)**
