CLAIM INFORMATION

ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

WHEN DO YOU OR YOUR AUTHORIZED REPRESENTATIVE NOTIFY UNUM OF A CLAIM?

We encourage you or your authorized representative to notify us as soon as possible, so that a claim decision can be made in a timely manner.

If a claim is based on death or other covered loss, written notice and proof of claim must be sent no later than 90 days after the date of death or the date of any other covered loss.

If a claim is based on the Education Benefit, written notice and proof of claim must be sent no later than 60 days after the date of your death.

If it is not possible to give proof within these time limits, it must be given no later than 1 year after the time proof is required as specified above. These time limits will not apply during any period you or your authorized representative lacks the legal capacity to give us proof of claim.

The claim form is available from GuideStone Financial Resources, or you or your authorized representative can request a claim form from us. If you or your authorized representative does not receive the form from Unum within 15 days of your request, send Unum written proof of claim without waiting for the form.

HOW DO YOU FILE A CLAIM FOR A COVERED LOSS?

You or your authorized representative and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF CLAIM?

If claim is based on death or other covered loss, proof of claim for death or covered loss, provided at your or your authorized representative's expense, must show:

- the cause of death or covered loss;
- the extent of the covered loss;
- the date of covered loss; and
- the name and address of any **hospital or institution** where treatment was received, including all attending **physicians**.

Also, in case of death, a certified copy of the death certificate must be given to us.

In some cases, you will be required to give Unum authorization to obtain additional medical and non-medical information as part of your proof of claim. Unum will deny your claim if the appropriate information is not submitted.

If a claim is based on the Education Benefit, proof of claim, provided at your authorized representative's expense, must show:

- the date of enrollment of your qualified child in an accredited post-secondary institution of higher learning;
- the name of the institution;
- a list of courses for the current academic term; and
- the number of credit hours for the current academic term.

WHEN CAN UNUM REQUEST AN AUTOPSY?

In the case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

HOW DO YOU DESIGNATE OR CHANGE A BENEFICIARY? (Beneficiary Designation)

At the time you become insured, you should name a beneficiary on your enrollment form for your death benefits under your accidental death and dismemberment insurance. You may change your beneficiary at any time by filing a form approved by Unum with GuideStone Financial Resources. The new beneficiary designation will be effective as of the date you sign that form. However, if we have taken any action or made any payment before GuideStone Financial Resources receives that form, that change will not go into effect.

It is important that you name a beneficiary and keep your designation current. If more than one beneficiary is named and you do not designate their order or share of payments, the beneficiaries will share equally. The share of a beneficiary who dies before you, or the share of a beneficiary who is disqualified, will pass to any surviving beneficiaries in the order you designated.

If you do not name a beneficiary, or if all named beneficiaries do not survive you, or if your named beneficiary is disqualified, your death benefit will be paid to your estate.

Instead of making a death payment to your estate, Unum has the right to make payment to the first surviving family members of the family members in the order listed below:

- spouse;
- child or children;
- mother or father; or
- sisters or brothers.

If we are to make payments to a beneficiary who lacks the legal capacity to give us a release, Unum may pay up to \$2,000 to the person or institution that appears to have assumed the custody and main support of the beneficiary. Also at Unum's option, we may pay up to \$1,000 to the person or persons who, in our opinion, have incurred expenses for your last sickness and death. These payments made in good faith satisfy Unum's legal duty to the extent of any such payments and reduces the remaining benefit payable by Unum.

HOW WILL UNUM MAKE PAYMENTS?

If your or your dependent's accidental death and dismemberment claim is at least \$10,000 and you or your beneficiary meet GuideStone's eligibility requirements for personal investment accounts, you or your beneficiary may elect to have Unum

make payment by making the funds available to a personal investment account through GuideStone Funds in the name of the beneficiary. Unum only guarantees that the funds will be paid to the personal investment account but does not manage or guarantee the investment performance of the account. The funds in the personal investment account may be accessed by writing a check in a single sum or checks in smaller sums.

If:

- the accidental death or dismemberment claim is less than \$10,000, or
- you or your beneficiary do not meet GuideStone's eligibility requirements for personal investment accounts, or
- you or your beneficiary elect not to have Unum make payment through a personal investment account,

Unum will pay in one lump sum to you or your beneficiary.

The Education Benefit will be paid to your qualified child or the qualified child's legal representative.

If you do not survive your spouse, and dependent accidental death and dismemberment coverage is continued, then your surviving spouse's death claim will be paid to your surviving spouse's beneficiary.

All other benefits will be paid to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud; and
- any error Unum makes in processing a claim.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

WHAT ARE YOUR ASSIGNABILITY RIGHTS FOR THE DEATH BENEFITS UNDER YOUR ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE BENEFITS? (Assignability Rights)

The rights provided to you by the plan(s) for accidental death insurance benefits are owned by you, unless:

- you have previously assigned these rights to someone else (known as an "assignee"); or
- you assign your rights under the plan(s) to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the plan(s) provisions before receiving and registering an assignment.

If you become **totally disabled** prior to age 60, and have been unable to work for nine (9) months, you may qualify for continuation of coverage provided by GuideStone Financial Resources of the Southern Baptist Convention. Accidental death and dismemberment insurance coverage for you and your spouse would be continued during the period of total disability without cost to you. This coverage, provided by GuideStone Financial Resources of the Southern Baptist Convention, for which contributions are not required, would end on the January 1 following the date you reach age 70, unless you were approved for a premium waiver benefit for your GuideStone coverage prior to January 1, 1999. WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You or your authorized representative can start legal action regarding a claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any material statements you, your Employer or GuideStone Financial Resources of the Southern Baptist Convention make in signed application for coverage a representation and not a warranty. If any of the material statements you, your Employer or GuideStone Financial Resources of the Southern Baptist Convention make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

As a basis for doing this, we will use only statements made in an application signed by the Employer or GuideStone Financial Resources of the Southern Baptist Convention, or an application signed by you, a copy of which has been given to you or your beneficiary, if any.

Except in the case of fraud, Unum can take action only in the first 2 years coverage is in force.

If the Employer or GuideStone Financial Resources of the Southern Baptist Convention gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you, your Employer and GuideStone Financial Resources of the Southern Baptist Convention do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE SUMMARY OF BENEFITS REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The Summary of Benefits does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES GUIDESTONE FINANCIAL RESOURCES OF THE SOUTHERN BAPTIST CONVENTION ACT AS UNUM'S AGENT?

For the purposes of this Summary of Benefits, under no circumstances will GuideStone Financial Resources of the Southern Baptist Convention be deemed the agent of Unum.

Additional Claim and Appeal Information

APPLICABILITY OF ERISA

If this Summary of Benefits provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the Summary of Benefits, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the Summary of Benefits, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and

- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Summary of Benefits' provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the Summary of Benefits. You agree that Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit

determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.
