

# A DENTAL PLAN THAT BALANCES CHOICE AND SAVINGS

## GuideStone's Premier Dental Plan with the Total Cigna DPPO Network

The Total Cigna Dental PPO (DPPO) network makes it easy to help protect your health – and your smile – with the right dental care at the right price. You get a large national dental network, and online tools to help you to make more informed decisions about your dental care. We're with you every step of the way on your journey to better oral health.

### How the plan works

The Total Cigna DPPO network provides access to the largest network of dentists contracted to discounted fee arrangements.<sup>1</sup> This means more convenience and greater savings for you.

With GuideStone's Premier Dental Plan, you receive two levels of coverage, depending on which Total Cigna DPPO network dentist you choose.

**Cigna DPPO Advantage** – Highest benefit level. May result in a lower cost.

**Cigna DPPO** – Lower benefit level than DPPO Advantage.

### Additional considerations

- › Network dentists will submit claims for you.
- › You can visit another dentist for a second opinion and Cigna will reimburse you according to your plan benefits.
- › Your dentist can submit a treatment plan for predetermination of benefits so you can find out what your costs will be prior to treatment.
- › You don't need a referral to receive care from a specialist.
- › You don't need an ID card to receive dental care, but you can easily access it via the myCigna® website or app.

- › Your plan includes coverage for preventive dental care services, including cleanings, X-rays and more, at no additional cost or at a reduced cost to you.
- › You can check claim status online by registering on **myCigna.com** after you enroll.

### After you enroll

Visit **myCigna.com** or the myCigna® App – anytime, just about anywhere – to discover:<sup>2</sup>

- › **The Brighter Score® feature.** Use this score to compare dentists, based on affordability, patient experience and professional history.
