How to Find Your Medical Plan Rates

- Step 1** | Find the state where your employer is located on pages 53–56. Then, locate the Area (1 through 14) that corresponds to the first three digits of your employer's ZIP code. (Mission Service Corps personnel — use the first three digits of your own ZIP code.)
- Step 2** | On pages 5–52, locate your Area and choose the page that best represents your desired coverage. For example, if you are married and want to cover your spouse and children, you would choose the Employee + Family page. If you are covering a child or children but not your spouse, you would choose the Employee + Child(ren) page.
- Step 3** | Using your age on January 1 of the current year, move down until you find your age. Across each row you will find the monthly rates for each medical plan.
