

EviCore

With Highmark, you can have peace of mind knowing that the care you receive is always the best. That's because we work with your health care providers to ensure they follow nationally accepted guidelines proven to lead to better health care outcomes. To that end, Highmark partners with eviCore Healthcare for a Radiology and Cardiac Imaging Program. This program incorporates a comprehensive, evidence-based clinical review including predictive intelligence and clinical decision support.

Here's what you need to know:
