My name is **Brian Dusek**, and I am a CRPC (CHARTERED RETIREMENT PLANNING COUNSELOR™) professional with GuideStone®. Serving as your advisor, my goal is to help you create a custom financial plan that faithfully stewards the resources God has provided, while meeting the needs for the next season to which he has called you.

I hold a Bachelor of Arts in sociology from Dallas Baptist University. Shortly after joining GuideStone, I earned my CRPC certification and my Investment Advisor License (Series 65). I have had the unique privilege of working with multiple SBC organizations. Before joining GuideStone, I worked for my church and for one of the state conventions in Texas.

My wife, Leana, and I have been married since 2015 and are proud parents of three amazing children. During our free time, you will probably find us coloring and building forts with our kids or having family dance parties.

I understand the unique circumstances that churches and ministers face. I want to use my experience to help you plan carefully, act decisively and move forward confidently in your financial journey.

Now, how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you soon.
