My name is **Doug Roberts**, and I am a CERTIFIED FINANCIAL PLANNER™ professional with GuideStone® who can help you craft a customized strategy tailored to your personal financial goals and objectives. As an advisor, I will work with you to consider today and prepare for tomorrow by developing a plan of action designed to take you to and through retirement.

I hold a Bachelor of Business Administration in finance from Dallas Baptist University and a Master of Business Administration from The University of Texas at Tyler. Before joining GuideStone in 2015, I worked as a financial advisor for a national financial services firm. My wife, Erin, and I have been married since 2003 and we have two sons, Seth and Clark. We enjoy being outdoors together, going on mission trips to Columbia as a family and barbecuing. I also serve on the deacon board and finance committee at my local church.

At GuideStone, our goal is to provide a biblical perspective to money management and enable you to honor the Lord with your assets in the same way you honor the Lord with your work. Regardless of what level of resources the Lord has entrusted to you, let me help you steward it wisely. It is my pleasure to serve those who have spent their lives serving the Kingdom — how can I serve you?

Please reach out to me at the contact information listed above. I look forward to working with you.
