My name is **Doug White**, and I am a CERTIFIED FINANCIAL PLANNER™ professional with GuideStone®. I can help you craft a financial plan customized toward what's most important to **you**. With your goals in mind, we will work together to develop a plan of action designed to take you to and through retirement.

I have served at GuideStone since 2001, which has allowed me to gain extensive experience working with ministers, executive leaders and other professionals. In fact, my grandfather was an SBC pastor, and my stepmother was an IMB missionary. And as a former youth pastor myself, I have a unique perspective and understanding of the needs of many of my clients.

I graduated with a Bachelor of Business Administration in finance from the University of North Texas and a Master of Business Administration in marketing and entrepreneurship from Dallas Baptist University. I now enjoy living in Dallas, Texas, with my wife, Laura, and our two sons, Luke and Benjamin. We enjoy outdoor activities such as skiing and kayaking and serving on mission trips through our church — particularly medical missions.

I know that as a GuideStone client, you want to honor the Lord with your assets in the same way you serve Him with your life and ministry. With a biblical perspective, I allow my faith to inform decisions I make with my clients regarding financial stewardship.

So how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you soon.
