My name is **Emmy Schulman**, and I am a CERTIFIED FINANCIAL PLANNER® professional with GuideStone®, where I help individuals and families build personalized strategies aligned with their financial goals and their faith. With many years of experience advising in the private sector, joining GuideStone has allowed me to pair my professional background with my desire to serve others with integrity, heart and skill.

I hold a Bachelor of Science in mathematics and an MBA in finance from Dallas Baptist University. I also hold FINRA® Series 7, 66 and 24 licenses.* This technical foundation fuels my passion for comprehensive financial planning, but what I love most about this work is the people we serve. As advisors, we walk alongside individuals who desire to honor the Lord with their resources, helping them steward well what has been entrusted to them. It is a privilege to approach this calling with the mindset of Colossians 3:23 (CSB): *Whatever you do, do it from the heart, as something done for the Lord and not for people.*

My husband, Clayton, and I currently reside in Prosper, Texas, where we enjoy playing golf together, traveling to new places and spending time at the movies. We stay active thanks to our two dogs, Bentley and Iris, who add plenty of joy and energy to our home.

I'm committed to providing thoughtful, principled financial guidance tailored to your unique situation. I look forward to working with you and supporting your financial journey with integrity and care.

CFP Board owns the marks CFP® and CERTIFIED FINANCIAL PLANNER® in the U.S.
