My name is **Gary Coats**, and I am a CERTIFIED FINANCIAL PLANNER™ professional who can help you create a financial plan customized to your goals and objectives. As your advisor, I will work with you to consider today and prepare for tomorrow by developing a plan of action designed to take you to and through retirement. Throughout my time at GuideStone®, I have gained extensive experience working with ministers, executive leaders and other professionals.

I hold a Bachelor of Business Administration in finance, an Executive MBA and a Master of Science in personal financial planning all from Texas Tech University. Before joining GuideStone, I worked as a financial specialist at two large, national firms. Now, my wife, Marisa, and I have a son, Caleb, and a daughter, Avery. I enjoy reading, outdoor activities and home improvement projects.

I understand that — as a GuideStone client — you want to honor the Lord with your assets in the same way you serve Him with your life and ministry. And it is my privilege to serve you as you serve Him.

So how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you.
