My name is **Taylor Fazand**, and I am a financial advisor with GuideStone®. My goal is to help you reach your financial objectives by providing a customized plan tailored to your needs and preferences. At GuideStone, we know that everyone has a unique opportunity to steward their finances wisely, and my job is to come alongside you through this journey. With an optimal investment strategy in place, I focus on building a retirement plan that works for you.

I hold a Bachelor of Business Administration in management and an MBA in finance — both from Dallas Baptist University. I am also a Chartered Retirement Planning Counselor<sup>SM</sup> and began serving GuideStone in 2013.

My wife, Grace, and I are happily married newlyweds. Away from work, we enjoy rock climbing and spending time with our dogs in the great outdoors.

I know GuideStone clients work hard to honor the Lord with their resources and help those in need. And I want to help you make money management decisions as you continue to faithfully serve and steward what God has given you, planning for your financial future.

So how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you.
