Quarterly Call to Prayer

Pray for:

1. International Mission Board (IMB)

- **PEOPLE OF CENTRAL TAIWAN** - Pray for more central Taiwan churches to have one-day evangelism training. One effective evangelism tool is brief but covers the full story of Jesus and enables new believers to pray, using their own words. With immediate new believer follow-up, they can quickly and simply share this good news with their friends and family. Pray for open hearts and excitement to share the gospel through this training. Ask God to open more doors to train central Taiwan Baptist churches. Ask God to provide more trainees who can help translate and make videos in multiple languages, which can be used throughout Asia.
- Pray for our missionaries, Rachel and Anna, in Southeast Asia. The two @IMB_SBC medical missionaries, alongside their team of national believers, have built relationships with the government, allowing them to enter schools, teach basic hygiene, and meet hygiene needs.

2. North American Mission Board (NAMB)

- We ask you to pray for SendRelief. This collaboration between the IMB and NAMB is the Southern Baptists one-stop shop for compassion ministry at home and abroad. This ministry responds to crisis and strengthens vulnerable communities around the world by meeting physical and spiritual needs in Jesus' name.

3. Theological education

Midwestern Baptist Theological Seminary (Kansas City, MO)

- We are praying that the Lord will raise up and let us train more missionaries to take the Gospel to the Nations. We have a lot of students training in our Fusion program and Fusions Master's Program to help facilitate this training. Pray for these students, our professors, and that God would use them to bring many people into His kingdom.
- Pray for our faculty and staff. Starting another academic year is always exciting but we also don't want to ever become complacent in our mentorship and teaching. We are asking the Lord to help us be faithful to train our students well and to help them grow more and more into the image of Christ.

Southeastern Baptist Theological Seminary (Wake Forest, NC)

- Pray that our students would remain faithful as they seek to honor God in their studies and their involvement in the local church.
- Pray that our faculty would be strengthened and encouraged in their work as they equip students to serve the church and fulfill the Great Commission.
- Pray for our alumni, that they would continually seek the Kingdom first as they make disciples in their individual contexts.
- Pray for God's hand to be over the many mission trips our students are going on this year, that the gospel would be proclaimed, and that many would come to know Jesus as their Lord and Savior.

Southern Baptist Theological Seminary (Louisville, KY)

Below are requests from Resident Assistants:

- That we may faithfully trust God and complete our theological education (my wife and I).
- That we may minister faithfully to the people in Fuller Apartments and serve them with the heart of Christ.
- Please pray for wisdom and patience. I realize I tend to rush things which stems from a lack of fear and trust in God.
- Please pray for the youth and kids at my church, Walnut Street Baptist. Many are from broken homes but we believe some are being saved. Pray that God will bring many more to Himself.
- Pray for a man called DJ to come to salvation.
- For God's help in discipling girls in my youth group at Walnut Street Baptist - especially a sixth grader called Avery. She has no gospel-input from home but has been coming to church for years and now seeks to be baptized.
- Pray that God would raise up another female youth leader who is godly and can help disciple the girls (I am currently the only female leader).
- Pray that God would raise up two trustworthy and godly people to drive our church van to pick up kids and youth for church, especially on Wednesday nights. A lot of these youth are from non-Christian homes, so we praise God they can come to church.
- Pray that God would grant my husband and I wisdom to put the needs of our two children before ministry and other responsibilities.

4. Ethics and Religious Liberty Commission

- For the staff of the ERLC that we would have endurance, wisdom, and fix our eyes on Jesus.
- For our nation, especially during a divisive presidential election season.
- For the opportunity and funding to place more ultrasound machines in pregnancy centers through our Psalm 139 Project.
- For continued opportunities to build relationships with lawmakers, media representatives, and others in order to share the truths and hope of the Gospel.

5. Executive Committee

- Pray for Jeff Iorg and his wife Ann. Jeff is the new President/CEO of the Executive Committee.
