

*He gives freely to the poor. Psalm 112:9 (CSB)*

Thank you so much for giving to Mission:Dignity®. 100% of your gifts directly assist more than 2,600 retired ministers and widows in need. Your help provides the dignity they deserve!

As you may know, in January 2022, Mission:Dignity gave each recipient a 22-25% raise in monthly honorariums due to the strong, consistent giving of donors like you. As a result, we have received many thank you letters from these soldiers of the cross. Many have commented on the timing of God's provision.

One letter was from Felix Penalzoa, who pastored in Panama for more than 40 years. He wrote,

“During this time, it has become more difficult to obtain medicines and food. Now, we must buy them at a higher cost at pharmacies, but your help has been a great blessing in allowing me to buy them, as well as for our food and to bless others who are in great need.”

Even through the pain of inflation, he wrote about how he felt the need to give to others! Not even poverty can stop a man who gives freely to the poor.

You are making it possible for these heroes of the faith to live (and give!) in the dignity they deserve. Thank you!

Working Together,
