

*"Thanks be to God for his indescribable gift!" 2 Corinthians 9:15*

Dear Friend,

Aren't you grateful for God's indescribable gift in Christ Jesus? I know our Mission:Dignity® recipients are! Their eternity is secure; they just need some dignity until then. Because of you, these 2,800 soldiers of the cross rejoice in their salvation **and** have the dignity they deserve in their declining years.

Bonnie Moritz and her husband, Frederick, were married for 65 years and served the Lord together before his death in August 2024. They had been Mission:Dignity recipients since 2017, and it is a pleasure to continue supporting a pastor's widow after his death.

Recently, Bonnie wrote about the relief provided by Mission:Dignity's continued support, stating, "It has been difficult to move forward and difficult to make decisions without him. His doctor's bills were coming in and I didn't know how I was going to pay them. I would not have been able to pay them if not for Mission:Dignity. They have all been paid."

**"I am so very grateful to all the donors who give to Mission:Dignity,"** Bonnie wrote.

100% of your gift assists someone like Bonnie. Thank you for your care and compassion for these heroes of the faith!
