

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.GuideStone.org/PlanBooklets](http://www.GuideStone.org/PlanBooklets). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.HealthCare.gov/sbc-glossary/> or call 1-844-467-4843 to request a copy.

| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall <a href="#">deductible</a> ?                                | In-network: \$2,000 person / \$4,000 family. Out-of-network: \$4,000 person / \$8,000 family.  | Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. <a href="#">Preventive care</a> , primary care services, office visits and <a href="#">prescription drugs</a> are covered before you meet your <a href="#">deductible</a> .   | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.HealthCare.gov/coverage/preventive-care-benefits/">https://www.HealthCare.gov/coverage/preventive-care-benefits/</a> .   |
| Are there other <a href="#">deductibles</a> for specific services?              | No.  | You don't have to meet <a href="#">deductibles</a> for specific services.   |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | For <a href="#">network providers</a> \$8,700 individual / \$17,400 family; for <a href="#">out-of-network providers</a> \$24,000 individual / \$28,000 family.  | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | <a href="#">Copayments</a> for certain services, specialty drug <a href="#">copayments</a> paid by the manufacturer, <a href="#">premiums</a> , health care this <a href="#">plan</a> doesn't cover, and out-of-network <a href="#">balance-billing</a> charges. | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://www.guidestonehealth.org">www.guidestonehealth.org</a> or call 1-855-497-1230 for a list of participating providers.  | This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No.  | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .  |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
